Hastings Board Meets

The Hastings County Board of Education approved in principle the following plans for a reorganization of administration at their regular meeting held on October 22nd.

Areas of responsibility and accountability have been divided into three groups:

1. School Level
2. Associated School Group
3. County Level

School Level

The principal and his staff are responsible for the following:

- staff selection and employment, evaluation, deployment and promotion.

- curriculum content, methodology and learning materials.

- utilization of time and space pertaining to instruction.

- professional development of staff (basic).

- pupil evaluation and reporting procedures.

- budget spending of school allotment (in all aspects).

- mode of relationship with community resources and public.

Associated School Groups

The County has combined each secondary school and its associated elementary schools into a family of schools. This second level combines a natural grouping of staff and "communities" who are concerned about pupils from kindergarten through Grade 13.

The principal and staff are responsible for the following:

- curriculum development: teachers may cooperate in a specific subject area to develop an integrated program for students from grades 7 - 10.

- professional development: the ASG has the responsibility to prepare development programs for the staffs of the schools.

- budget allocation: the ASG may re-deploy funds allotted to it in the way it deems will best serve the family of schools.

- support team: the ASG's are given a number of support personnel and will plan what will be the nature and deployment of these aids to the classroom teacher. Continued on Page 3

What Council Did

Before the Town Council meeting got under way Monday night, council was recessed to join the fireman in meeting at the funeral home to pay their respects to the late Frank Tinney, a Deputy Fire Chief.

The regular meeting of the Deseronto Town Council was held in the Council Chamber on Monday, November 5.

Mayor James Sharpe was in the chair and all councillors were present. What they did:

- The minutes of the last Council meeting were adopted as read.

- granted permission for a plaque to be erected in Centennial Park in honour of the late Captain George Fraser Kerr, V.C., M.C., M.M., a World War One Veteran. The unveiling is to take place on November 11 at 12 noon, immediately following the Remembrance Day Service and Parade. Council has been invited by Branch 280 of the Canadian Legion, Deseronto, to attend and the

Mayor would like to see as many councillors as possible there.

- received word from the Ministry of Community and Social Services that the grant of \$16,091 for the Arena project will now have to be re-applied for between the dates of January 1st and March 31, 1975. This is on account of having commencement and completion dates changed from November 1st, 1973 and February 1974 to November 1st, 1974 and May 31st, 1975.

- received a letter from the Treasurer of Ontario regarding the application for a loan of \$115,000 for construction of the Deseronto Community Hall and Skating Rink under the Winter Works Program. It informed the Town that the program has already been heavily over-subscribed and that there are no more funds available. Our application therefore cannot be given approval.

- received a letter from Mr. McDannald of Metcalfe, who is still concerned over the condition of South Mill Street. The letter was turned over to the Streets Committee.

- received a letter from Mr. Tom Doyle stating that trees in front of his properties at 89 and 93 Mill Street were causing damage. Falling limbs have already damaged cars. This matter was also turned over to the Streets Committee.

- received application from Douglas DeMille of 255 Dundas Street for a taxi license. After some discussion as to the desirability of another taxi service in town, the matter was turned over to the Fire and Police Committee. Continued on Page 2

DESERONTO RATEPAYERS

There will be a Ratepayers' Association meeting on Thursday, November 8 at the school at 8 p.m. All are welcome.

Night School

Poor weather is believed responsible for the disappointing turnout for registration for night school classes. Only 34 people registered for the nine courses offered.

A second registration for night school classes is scheduled for Nov. 6, from 7 to 9 in the evening. Officials expressed concern that if night classes do not get off the ground this year it might be difficult to offer courses in future years.

This year's courses in conversational French and small appliance repairs will be dropped from the schedule but it is hoped that sufficient interest will be shown in the other seven courses to warrant commencement.

Electric Kettles Recalled

Proctor-Lewyt Division of SCM (Canada) Limited have announced the recall of certain electric kettles as a precautionary measure. Although there have been no reported injuries, these appliances could be hazardous under unusual use.

President of Proctor-Lewyt D. K. Smythe, stated, "The electric kettles being recalled were manufactured by Proctor - Lewyt and sold under the brand names of Proctor-Silex, Citation, Silex, Lifelong, and the brand names of certain major retail chains, Zellers, Bradford, and Eaton's Viking."

These kettles met national standards during and after manufacture, but Proctor-

Lewyt discovered the hazard in recent laboratory tests.

All persons who have this product in their homes are urged to return it immediately for repair, replacement, or refund. Kettles bearing the following production series numbers should be returned: 27K, 27M, 37B, 37C, 37K, 27L, 37A, 37C, 37E, 37G, 37J. These numbers are stamped at the bottom of the cord outlet base. They should be returned by mail to P.O. Box 1630, Picton. All postage will be refunded.

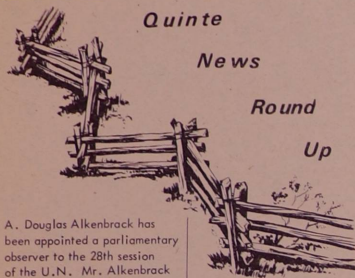

The kettles being recalled could become hazardous through cracking of the element insulation casing and resultant exposure of the heating element to water.

Round

Up

A. Douglas Alkenbrack has been appointed a parliamentary observer to the 28th session of the U.N. Mr. Alkenbrack served in this capacity before in October, 1968.

The annual Madoc Santa Claus Parade will be held on Saturday, December 8, starting at 2 o'clock. The parade is sponsored by the Madoc Chamber of Commerce.

Prince Edward Collegiate Institute students got a surprise holiday last week when a transformer burned out during a rainstorm.

Fire damage to a Picton business block is estimated at \$40,000. A photographic studio owned by Miss Mary Kinney was gutted and extensive water and smoke damage was reported in Wright's Drug Store below the studio.

The Honourable Leo Bernier, Minister of Natural Resources and Mr. Clark T. Rollins, M.P.P. for Hastings, announce the approval of a provincial grant in the amount of \$3,400 to the Napanee Region Conservation Authority for erosion control work adjacent to the Lonsdale weir at Centennial Park on the Salmon River. The Town of Tyendinaga, as the main benefitting municipality will pay the major portion of the Authority's share of the cost.

A contract has been awarded to City Paving Co. Ltd. of Concord, Ontario for road and

sewer improvement in the Craig Barracks area of Prince Edward Heights Complex for the Mentally Retarded. The work is expected to be completed by the end of the year.

This year there were seven Ontario Scholars in the Grade 13 class at Napanee District Secondary School. They are Judithyn Lowry, Jeffrey Galt, Stephen Friday, Bruce White, Anthony Bishop, Edith Harnden, and Kathy Wood, (Valedictorian). Graduation exercises were held on Saturday evening.

Deseronto Scouts and Cubs held a very successful Apple Day taking in approximately \$86 to go towards scouting in Deseronto.

Stephen Lewis, the leader of the provincial NDP at Queen's Park, will be in Picton next Saturday, November 10. From 9.30 to 10.30 a.m. he will be at the home of Reg. Windatt, R.R. #1 Picton (West Lake Road). He would like to meet with members of the Farm Union at that time. From 10.30 to 12.15 he will be at the Armoury Mall, Main St. Picton. Free coffee and donuts will be served there. At 12.30 he will be at lunch at the Jolly Dutchman Restaurant 1 mile out of Picton on the Waupoos Road. Everyone is welcome to come and meet and talk to Mr. Lewis.

-granted permission to Bob Davies to operate a T.V. Repair Shop on Main Street next to Kortens.

-set the date of November 12th at 7:30 p.m. for a committee meeting of the whole of council which will also be attended by Mr. Fred Sutcliffe to review a contract for garbage collection service. Mr. Sutcliffe has indicated that an increase in remuneration is necessary. Court of Revision and other items will also be dealt with at this meeting.

-granted the request of Napanee and Deseronto Cablevision to meet with Council on December 16 at 8 p.m. to discuss local programming.

-adopted a recommendation from Councillor McVicker that Loyalist College be granted the use of the town barn one evening a week for the purpose of holding welding classes. All expenses will be borne by the college and a town employee will be present during the hours of the classes.

-carried a motion to have Section 10 of the War Memorial Scholarship Fund amended as follows: "that section 10 be changed to read 'in the event of the closing of the Deseronto High School that the endowment fund be transferred to the municipality of Deseronto to be awarded to the student with the highest academic standing in his or her final year of high school and who plans to continue with further education'. Approval of this will be asked of the Hastings County Board of Education."

-discussed the suggestion made by Water Resources that the town might be willing to use Greer and Calloway Associates as engineers for a water distribution and filtration system in the Town of Deseronto.

After much consideration, a motion was passed to recommend this to the Ministry of Environment.

-was advised by the Town Clerk Sam Knapp, that nomination forms will be available at the Town Hall from Thursday November 8th at 9 a.m. until Monday November 12th at 5 p.m. Any candidate is entitled to two copies of the voters list from which at least ten names must be submitted as nominators.

-accepted Robinson Fina Service tender of \$123.05 for four new tires for a police cruiser. This price includes tax and there is no installation charge.

-after the reading of a letter from the Postmaster to the Police complaining of the after-hours misuse of the Post Office Lobby and considerable discussion of the problems being experienced, a motion was carried that this Council recommend to the District Director of Postal Services in Ottawa that the Lobby be locked at 8 p.m. daily and kept closed all day Sunday.

-heard Councillor Gardiner declare that he intends running for the office of Reeve in the coming election.

INDUSTRIAL BROCHURE

In an attempt to attract much-needed industry to Napanee, the industrial commission of that town released 1,000 copies of a new industrial brochure.

Industrial Commissioner William Morris, in a brief introduction writes:

"We feel that Napanee has much to offer any business or industry that might be considering expansion or relocation."

He promises full support of Council and the industrial commission.

The industrial commission leans heavily on Napanee's central position next to major transportation routes.

County Level

The stated purpose of the central County team is two-fold:
-the trustees develop purposes, objectives and goals for the system and then derive policies to guide the families of schools.

-The administrative staff serves the trustees and the school staffs by providing strong leadership, support and service in addition to the supervision dimension required by law.

At the October meeting the School Board also:

-approved accounts for September for payment.

-heard a presentation of a brief updating plans for the Educational Services Centre. It was agreed that the Planning Committee meet from time to time with the Chairman's Committee for the purpose of consultation and direction.

-agreed that a meeting be arranged between the Board and the Bancroft Village Council

OIL DIVERSIONS

Energy Minister Donald Macdonald has sent a telegram to major oil companies protesting the reported diversion to the U.S. of Canada-bound oil from the Middle East. The diversions are being ordered because Arab states have cut short oil exports to Canada have not been curtailed.

CANADA OFFERS AID

Following the news of a Middle East ceasefire, External Affairs Minister Mitchell Sharp said in the house of Commons that "the Canadian government would look sympathetically at any request from the UN Secretary General for additional Canadian officers" should the UN need to expand its supervisory forces in the Middle East.

We are prepared to consider participation in such a force if we are requested by the parties concerned and if we are satisfied we can play a useful role.

ENERGY COMMITTEES

Following a meeting between Energy Minister Donald Macdonald and U.S. White House energy advisor John Love, the minister announced that the Canadian and American governments will create several joint committees in order to exchange energy planning and to co-ordinate co-operative approaches on specific projects.

EXPORTS UP 14.3%

Canada's exports for September stand at \$1.73 billion - an increase of 14.3% over the year before.

WORLD FOOD RESERVE

Otto Lang, federal minister responsible for the Canadian Wheat Board, said Canada is prepared to support a world food reserve.

At the world grain seminar sponsored by the Canada Grain Council in Winnipeg, Mr. Lang suggested that "discussions on this subject should advance quickly, involve as many nations as possible and be co-ordinated by a committee of the appropriate international organizations".

Discussions at the seminar primarily dealt with food supplies. International food experts reported that there would not be any world food shortages this year but food reserves would be taxed.

Environmental assessment... There are four basic principles laid down in the Green paper on Environmental Assessment released by Environment Minister James Auld.

1. That Ontario needs environmental assessment.
2. That the public should be involved
3. That the public should be informed.
4. That the cost of assessing the environmental impact of a project should be applied to the cost of the project.

The first principle is a basic assumption. Environment Ontario has developed comprehensive pollution abatement programs. But these deal with existing situations. A wide range of planning and preventive activities must be brought together and supplemented so that an efficient and centralized system can be developed to head off environmental problems while development projects are still on the drawing boards.

This system is called environmental assessment.

Public involvement is essential to make it work. The people who are affected, or whose surroundings are affected by government or private development should take part in any program designed to see that the effects of the project are beneficial.

The important thing about environmental assessment is that it will give us all a chance to do what it says on the licence plate of your car: Keep Ontario Beautiful

New Hydro Route

A petition carrying more than 11,000 signatures protesting a high voltage power line over Haywood Long Reach has been presented to government representatives and Ontario Hydro officials at Queen's Park. The Save Our Bay Committee and the Sierra Club of Ontario met with environmental minister James Auld, James Taylor, M.L.A. for Prince Edward - Lennox and Ontario Hydro spokesmen.

Environmentalists stressed during the meeting that a high power line at the Reach would destroy its scenic value.

Phillip Lind, chairman of the Sierra Club said that they recognize the need for increased power, but they agree that Hydro should re-examine its proposed route. There is a possibility that additional power could be brought into Prince Edward County through existing right-of-ways. Such a step would involve the use of a new compacting process.

9 NOMINATED FOR DESERONTO OFFICES

Nine people have been nominated for the offices of Mayor, Reeve, Councillors and Public Utilities Commissioner for the Town of Deseronto. This is the biggest response to nominations in several years and this year's election promises to be an interesting and exciting one. Nominated for the office of Mayor are Incumbent James Sharpe, and James H. McVicker a veteran Councillor. For the office of Reeve, nominated are Incumbent George Lyons and Edgar Gordaniar. Three Councillors are to be elected and nominated are Marvin Brooks,

a construction carpenter, Jack Mitchell, a Customs Collector, Hugo Newman, a Deseronto merchant, Merton Cummings, a retired Ontario Hydro worker, Fletcher Vick, a foreman for Ontario Hydro and the only woman who was nominated, Diane Sergeant who works as a housewife. Nominated for Public Utilities Commissioner are J.A. McCormick, a hospital custodian, and Jack de Boer, an instrument technician. These nine nominees can be heard at the forthcoming Meet the Candidates Night sponsored by the Deseronto Ratepayer's Association.

DESERONTO RATEPAYERS

A regular meeting of the Deseronto Ratepayers' Association was held last Thursday November 8, at which time final plans were made for the Meet The Candidates Night to be held at the Public School Monday, November 26. Rev. C. Betts will again chair this meeting as he did last year. Over eighty interested citizens attended last year's meeting and this fact has encouraged the association to sponsor a similar meeting this year.

Members were again made aware of the fact that citizens will be voting for Mayor, Reeve, Three Councillors and one Public Utilities Commissioner. All offices are for one year terms so that, starting with the 1974 elections, the complete slate of municipal officers will be elected on 2 year terms.

Members were asked to encourage everyone to vote for whom they wished, but to be sure and exercise their right to vote.

The duties of the local police came up for consider-

able discussion as a result of a reply received from Police Chief Carl Beattie, to the Association's letter concerning use of bicycles on sidewalks and the discharging of firearms within the municipality. Mr. Beattie enclosed copies of the bylaws covering these two items and in his letter advised citizens to telephone the Police Department whenever they observed an infraction of these bylaws. If received from a telephone, they are advised to write to Town Council and inform them of this lack of an answer, as the Police Department is doing all it can with the work force available.

The next meeting of the Ratepayer's Association is set for November 22nd.

Night School

Last week's registration for night school was so well attended that night classes are already in progress on Tuesday and Thursday evenings.

TOP STUDENTS

The following Deseronto students received special awards at Napanee District Secondary School Commencement Exercises: Donna Hutchison received third highest proficiency for all branches in year three of the level four program; Patricia Stuart received the Lennox and Addington Hospital Auxiliary Award; John Sergeant received the Deseronto Memorial Scholarship. Frances Klaver received the Deseronto Lions Club Award. Several Deseronto students also received honours in the different years.

Quinte Oldtimers

A busload of members of the Quinte Old Timers, senior citizens of Deseronto, went to Toronto last Friday, November 9, to visit the Royal Winter Fair. This being Senior Citizens' Day at the Fair, no charge was made for the show which included the Royal Canadian Mounted Police Musical Ride. This was enjoyed by all as were the various displays seen before the show began. The beautiful floral arrangements in particular were much admired. Following in the show and a short time to have "another look around" the Quinte Old Timers were

DESERONTO HERO HONOURED

Last Sunday at noon, an historical plaque commemorating Captain George Fraser Kerr, V.C., M.C., M.M., was unveiled in Centennial Park. This plaque is one of a series being erected throughout the province by the Historical and Museums Branch, Ministry of Colleges and Universities.

The inscription on the plaque reads:

CAPTAIN GEORGE
FRASER KERR, V.C.,
M.C., M.M., 1895-
1929

Born in Deseronto, Kerr attended schools here and in Toronto. With the outbreak of the first World War he enlisted on September 22, 1914, with the 3rd Battalion, Canadian Expeditionary Force and arrived in France the following February. He won the Military Medal at Mount Sorrel on June 13, 1916, the Military Cross at Amiens on August 18, 1918, and a Bar to the latter award at Quent later that summer. The Victoria Cross, the British Empire's highest decoration for valour, was awarded to Kerr for his exemplary daring and leadership at Bournal Wood on September

27, 1918. He out-flanked a machine-gun position and later, far in advance of his troops, he rushed a strong point and single-handedly captured four machine-guns and thirty-one prisoners.

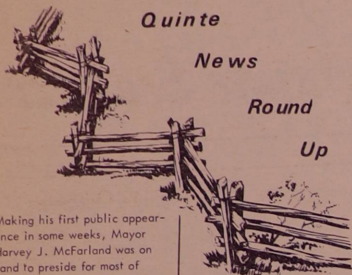

Born at Deseronto, June 8, 1895, Kerr was the son of John James Kerr, who operated a dry-goods store in the town. George started school in Deseronto, but when he was about eight years of age, the family moved to Toronto.

Kerr's distinguished service with the Canadian Expeditionary Force ended on July 16, 1919 when he was declared medically unfit and struck off strength. He returned home as one of Canada's most decorated soldiers.

Following the war, Kerr was employed as manager of Lewis, Lazarus and Sons, metal suppliers in Toronto. He died on Dec. 8, 1929 of carbon monoxide poisoning while sitting in his car waiting for the engine to warm up. Kerr was buried with distinguished military honours in Mount Pleasant Cemetery, Toronto.

Round
Up

Making his first public appearance in some weeks, Mayor Harvey J. McFarland was on hand to preside for most of the November meeting of Picton Town Council. Mayor McFarland recently underwent open heart surgery. His presence at the meeting was applauded by Councillor Russell Alexander who had been appointed acting mayor in Mr. McFarland's absence.

Belleville residents will have an additional three evenings of Christmas shopping this year as a result of a request from Simpsons-Sears and other retailers at the Quinte Mall. Following the request, city council approved a change in the early closing by-law, which will allow Christmas shopping hours to commence on Dec. 3. In asking for the change, the manager of Simpsons-Sears said his store drew customers from as far away as Bancroft, Napanee and Prince Edward County.

Due to a rise in domestic complaints, the shooting of one policeman in 1972 answering such a complaint, plus a need for adequate protection, the Napanee Police Department will be ordering tear gas and bullet-proof vests next year.

Along with St. Nick, renowned Canadian comedians Johnny Wayne and Frank Shuster will attract crowds downtown during the annual Belleville Santa Claus parade. The two comedians will be in Belleville on that day to open the new Gulf service station on North Front St. Both have agreed to brave the cold December winds to wave to crowds from an open convertible.

It's a bit early yet, but someone has chopped down the first Christmas tree in Napanee. However, the six-inch girth tree was planted as a town display in Springside Park and the town is now left with the problem of whether or not to erect a temporary one at Christmas time or call the whole thing off as a bad bet.

Mr and Mrs. William Karook, Sr. returned to Ottawa after spending a few days with their brother and sister-in-law, Mr. and Mrs. Tom Pawles. They also visited Mr. and Mrs. Freeman Maracle.

Miss Peggy Pawles returned home after spending a week in Lennox and Addington County General Hospital.

Mr. and Mrs. Albert MacLatta from Bedford, Quebec are spending a week's honeymoon with Mr. and Mrs. Freeman Maracle. They are also visiting Mr. and Mrs. Tom Pawles.

Deseronto Presbyterian Church of the Redeemer held their annual Bazaar and Tea at the Sunday School Hall, Saturday, November 10th and by all reports was most successful. Arrivals were greeted by Mrs. Albert Walker and Mrs. T.L. McCullough. Remembrance Day was the Theme used throughout. The tea table had a centrepiece of red carnations and white chrysanthemums flanked by long red tapers. Individual tea tables had a centrepiece of a white cross bearing red poppies. The tablecloths and serviettes were red and white.

Pouring tea were Mrs. Robert Tucker of St. Mark's Anglican Church and Mrs. John Gartland of St. Vincent de Paul Roman Catholic Church. Mrs. Eric Quiet, a member of the Presbyterian Ladies Aid also poured.

Serving the individual tea tables were Mrs. Leonard

Foster, Mrs. Russell Brant, Mrs. T.L. McCullough and Mrs. Eric Quiet.

Home baking was sold by Mrs. Jean Griffiths, handicrafts by Mrs. Kay Hood, who also handled the fishpond and the White Elephant Table was looked after by Mrs. E. Higgins and Mrs. V. Boston.

Mrs. Don MacMillan and Mrs. Beryl Herman were behind the scenes working in the kitchen enabling visitors to enjoy a delicious afternoon tea.

At the Vestry Council meeting of St. Mark's Anglican Church held in the Parish Hall on Wed., Nov. 7, it was agreed to break with the tradition of holding the Christmas Carol Service on the Sunday evening preceding Christmas. This year the Service will be held on Sunday afternoon, 3 p.m. on December 16th and will be followed by a Congregational Pot Luck Supper in the Parish Hall as well as the Sunday School Christmas Party.

Members of the Council pronounced themselves well pleased with the recent cleaning and decorating of the Church as well as the new aisle carpet.

The evening branch of the Deseronto United Church Women met at the home of Mrs. Leah VanVlack for their meeting of Thurs., Nov. 8. During this meeting a date was set for a Christmas visit to the Quinte Beach Nursing Home and other Nursing Homes in town. This year, all local churches are combining their

efforts to arrange one large party for residents, rather than having a series of small groups calling. After the close of the business meeting, everyone enjoyed slides and a travelogue shown by Ron Boyce, librarian at Loyalist College, Belleville. Mr. Boyce's descriptive commentary made many members feel they were visitors of the countries themselves. Mrs. Harold Piercy thanked the speaker and presented him with a small gift on behalf of the group. The Christmas meeting will be held at the home of Mrs. Joyce VanVlack at which time there will be an

exchange of gifts among the members. The evening concluded with the serving of lunch by the hostess and helpers.

The afternoon unit of Deseronto United Church Women met on Tues., Nov. 6 at the church hall with their leader Mrs. Mabel Moon presiding. Mrs. Moon opened the meeting by asking members to observe a minutes silence for Armistice Day. Prayers were held by the leader and Mrs. Evelyn Stuart read the 93rd psalm for the scripture reading.

MEDICAL CENTRE OPENS

A crowd beyond all expectations gathered at Deseronto's new Medical Centre on Sunday for the official opening of this Lions Club project. Chairman Eric Gustafson of the Club remarked how pleased he was to see the large crowd. In his 28 years with the club, many worthwhile projects have been undertaken, but he considered this the crowning achievement of the Deseronto Lions. Mr. Gustafson mentioned the Quinte Old Timers who made a gift of \$1000 and the furnishing of the hall as their contribution to the community project.

Clarke Rollins, MPP Hastings gave provincial greetings, and Jack Ellis, MP Hastings brought federal greetings. Gordon Empey, L.I.P. Manpower offered congratulations from and best wishes on behalf of the Minister. Mr. Donald Sautter of the Ontario Ministry of Health stated that this clinic is one of many in Ontario that have been brought into existence by the initiative

and drive of the people of the community. Mr. Sautter felt that tribute should be paid to Dr. McVicker who has played a tremendous part in looking after the medical needs of the people of Deseronto.

Douglas Galt, the District Governor of the Lions Club International said that the clinic is ample proof that the Lions are genuinely concerned with the life of the community. He offered sincere congratulations for a job very well done.

What Council Did

At the regular meeting of the Deseronto Town Council, held Monday, November 19, all Councillors were present with Mayor James Sharpe in the chair.

During the course of the meeting, Council:

—heard a letter read from Avery Marncley, Deseronto, asking for repairs to the sidewalks at Mechanic and Park Streets. This letter was given to the streets committee for investigation only as it is possible that this damage may have been done at the time of installation of water. If this is found to be the case, repairs will be up to the P.U.C.

Deseronto to Get Dentist

The announcement was made on Sunday at the official opening of the Deseronto Lions Club Medical Centre that the Clinic will have a dentist available to the community at most any time. The dentist is expected to take up residence in Deseronto and will round out the services available at the Medical Centre.

A local girl, Jo Ann Morris will be performing with the Quinte Dance Centre when they present their first public performance November 23 in Trenton. Augmented by four dancers from the National Ballet in Toronto, the Quinte Dance Centre will repeat its performance Nov. 24 in B.C.I. Auditorium in Belleville. The Belleville dancers will be presenting a choreographed ballet lesson and a Russian character dance.

The Unemployment Insurance Commission's administration budget for 1973 is in serious trouble according to Jack Ellis, MP for Hastings. During the question period recently, he inquired of Robert Andras Minister of Manpower and Immigration whether or not he still stands by his earlier statements that the budget will be met and that computer installation is now complete with no further expenditure needed. Mr. Andras replied that this was so. Mr. Ellis then announced that he was in possession of documents which proved otherwise. However, he was not allowed to press the point, as Speaker Lucien Lamoureux suggested that this matter might be debated at a more appropriate time.

The annual meeting of members of the MacAuley Mountain Ski Club will be held at the Prince Edward Yacht Club on Tuesday, Nov. 21.

Napanee Rotary Club sold about \$9,000 worth of tickets in its recent car draw and will probably net about \$5,000. One Rotarian, El Zeran, sold

\$1,200 worth of tickets.

Two Shannonville residents sustained minor injuries when the car they were driving went out of control on Highway 401 and rolled three times into the median. Driver of the vehicle, David Hutt, Shannonville and passenger Donna Mae of Shannonville, were treated and released from Belleville General Hospital.

A provincial grant in the amount of \$4,000 has been approved for the Prince Edward Region Conservation Authority for the acquisition of lands for the proposed Demarestville dam and reservoir. The rebuilding of the dam will alleviate water shortage and provide water for fire protection. The Authority's share of the cost will be levied against member municipalities.

A colour program called "The County" will appear Monday, Dec. 3 at 12.50 p.m. on educational television, a production of the Ontario education communications authority. Title of the program stems from the nature of every native of Prince Edward County to refer to his home as "The County". On Monday, Dec. 8, at 12.50 p.m., the featured program is a colour film on Hay Bay Church in Adolphustown.

The continuing saga of cramped space at Lennox and Addington head branch library in Napanee has led to a motion by county council for a search for expanded or new headquarter facilities. Council has passed a motion to delegate the property committee to look into expanded facilities at the Napanee library building. A report is expected.

L.O.L. 50-50 Draw winner is Phoebe Kellar, of Stanley St. in Belleville. The winning ticket was sold by Delbert Mowbray.

Office staff and plant employees of Ideal Venders Limited, surprised Mr. Thomas Jackson, fellow worker and Maintenance man by presenting him with gifts on the occasion of his retirement last Friday, November 16. Mr. Richard Moore, General Manager, on behalf of the office staff presented Mr. Jackson with a digital clock-radio and Mr. Arthur Allen, on behalf of the employees presented him with an Eeziboy chair, a pipe, and a gift of money. Mr. Jackson has been with the Company almost 24 years, having been first employed when it was known as Deseronto Electronics Ltd. Many happy and healthy retirement years is the wish of all for Mr. Jackson.

Mrs. Margaret Jackson

The Presbyterian W.M.S., and Ladies Aid met at the home of Mrs. Eric Quirk, on Thursday, Nov. 8 at 6:30 p.m. Before the regular meeting, a most delicious dessert, and tea and coffee were served by the hostess, Mrs. Blake Moore. In devotion and the Mission story. Roll call was taken with eight members present. Further plans were made for the Tea and Bazaar. Mrs. Kay Hood mentioned the Christmas Party at Quinte Beach Nursing Home, at which all church women's organizations are making part. All agreed it is a wonderful idea. Mrs. L.T. McCullough invited the ladies to her home for the December meeting, which is also a party and exchange of gifts. At the close of the meeting, a social hour was enjoyed with the singing of gospel songs. On leaving, everyone thanked the hostess for the lovely evening.

Mrs. Ralph Conder of Picton spent the week-end with Mrs. Sam Geddes.

Mrs. and Mrs. Larry Clow of Cannington were recent callers on Mr. and Mrs. Don MacMillan.

Mr. William Sero of Buffalo, N.Y. spent a week with his mother, Mrs. Freeman Maracle.

Mr. and Mrs. Clinton Brown of Belleville were Sunday callers on Mrs. Sam Geddes.

The Presbyterian Sunday School teachers had a meeting and set the date for the Christmas Party. It will be on Friday evening, Dec. 21. Pot Luck supper around 6 p.m. for the children and parents also other members of the congregation who wish to come. After supper, the children will put on a short program in the Church.

Mrs. Charles Griffiths was Sunday supper guest of her sister, Mrs. Marie Watson in Napanee. Mrs. Watson has just returned from a trip out west.

Mrs. V. Boston has returned home after spending a few days with her niece, Mrs. O. Anstey and Mr. Anstey, in Richmond, Ont.

Mrs. Clara Jackson and Mrs. Margaret Jackson enjoyed a day at the Royal Winter Fair last week.

CORRECTION: In last week's "Happenings" Mrs. Eric Quirk's name was misspelled. Our apologies.

Mrs. Clela Sly spent a week recently with her daughter and son-in-law, Mr. and Mrs. Clayton Green and grandchildren, in Fulton, New York.

Letters to the Editor

To The Taxpayers of Deseronto: I have followed very closely this past year the activities of our present council, which seems to have been halted in their duties as a good council by a certain element with some added help from outside associates who are determined to cost the taxpayers extra dollars for investigations and off the track duties which cost libelous hints, undue criticism and hours of extra work on a very efficient, worthy and honest staff of Town Officials and Public Utilities Officers who have had much past experience in our Town Affairs and I believe have done an excellent job and certified by our Town Auditor.

May I ask for your support as councillor for the year 1974 so that I may be a part of an active and working Council. I can assure you that I will work hard for the benefit of all taxpayers and be prepared to do so on a peaceful and co-operative basis.

Any organization must work together. We must all realize that we will not all have the same opinions, but when a majority has controlled a motion I believe we must in order to accomplish our true aims, work with it, not perform as a certain element of our present council by taking an attitude of a school yard ball game, "If I can't pitch, I won't play and I won't allow anyone else to do so peacefully". This attitude has tried unsuccessfully to label Deseronto as another "Watergate Affair". Let us not be guilty of such a crime.

May I advise all voters now that I will be unable to attend our Meet the Candidates night and may you accept these as my comments for the

SCHOOL NEWS

Deseronto Public School would like to remind parents that during Physical Education classes, gym shoes must be worn to prevent injury. The same gym shoes could also be worn during regular classes when children change into shoes from boots.

The school will again be operating a lunch service for children who live farther away than half a mile. The school is asking for volunteers to supervise the lunch room. Anyone interested may leave their name at the school.

Obituary

McRAE, Edythe Pearl of Lonsdale, Ont., at her residence on Nov. 17th, 1973. She was born 80 years ago at Ebenezer, Ont., to the late William Whiteman and the late Mary-Jane Piper. She was the beloved wife of the late John Redner McRae and has spent a lifetime in this area.

She was the dear mother of Claude, Lonsdale; Mary, Mrs. David Hillman, Kingston; and the grandmother of Donald McRae.

She is survived by two sisters, Lottie (Mrs. William Anderson) of Deseronto, and Myssel (Mrs. Alex Robertson) of Carstairs, Alberta, and four brothers, William of Belleville, Clarence of Belleville, Frank of Midland Ont., and Earl of Shannonville.

Mrs. McRae was educated in Ebenezer and Deseronto and was a member of the United Church, Melrose, having held various offices in the United Church Women.

The funeral was held Nov. 20, 1973 at White and Morris Funeral Home, Deseronto with Rev. William Hendry officiating. Pall bearers were Ken Haight, Alvin McRae, Art Whiteman, Reg. Whiteman Norman Kimmerly and Laverne Mastin. Interment followed at Victoria Cemetery, Thurlow Township.

-was notified by Mr. A. McNish, Green Street, that a tree in front of his house was hollow and could be dangerous in a wind storm. This matter was referred to the Streets Committee.

-received notice from the County of Hastings Planning Board of a meeting arranged for Nov. 8 at 7.30 p.m. at the Township Hall, Ivanhoe, for the purpose of discussing the official plan for Hastings. Members of Council were urged to attend as it must be made sure that the plan meets the needs of the municipalities before the final reading. It was agreed to file the letter and the Mayor suggested that someone should go to the meeting.

-heard a request from Mrs. Madeline Walker, Sec-

retary of the Cemetery Board, for legal advice regarding the right-of-way through the cemetery. Originally, the right-of-way gave access to the brick house on the island. At that time it was the only house there, but over the years many homes have been built and are serviced by this road. There is concern that this has become widened over the years and cemetery land encroached upon. The Mayor expressed his feelings that this matter should be handled by the Cemetery Board itself and after some discussion the following motion was carried: "that this be turned back to the Cemetery Board to have the width of the right-of-way surveyed and marked and that this council assure the Cemetery Board of their cooperation".

-received a letter from the Ministry of the Environment

regarding the Provincial Water Works Programme for Deseronto. This letter informed council that negotiations have been taking place between Metcalfe Foods and the Ministry of the Environment on this subject. Mr. McDannold of Metcalfe Foods arrived later in the evening and gave a very comprehensive outline of the proposals. Both he and the Ministry of the Environment believe the sharing of facilities between Metcalfe and the Town will be beneficial to both and be less expensive. The location of the new filtration plant has not yet been decided on nor has the proposals yet been approved by the Company. During a question and answer period it was learned that the proposals are for separate filtration plants, but that water intake and pump house will be shared. Also that the rights of ownership will go to the Ministry of Environment. L.S. Love Associates are the new consultants appointed and our capacity requirements are being updated. Mr. McDannold emphasized that our common goal is a filtration plant for Deseronto and thanked Council for its cooperation.

-authorized P.U.C. to proceed as usual with the Town Christmas lighting. A letter had been received from the Electrical Associates drawing Council's attention to the Hydro's shortage in this regard, but it was decided that the matter was not serious enough to warrant the Town not being decorated by lights for the Season of Christmas.

-discussed a letter from

Ontario Hydro to P.U.C. concerning costs of moving Hydro and Telephone poles etc. on Main Street. A meeting still has to be held with the County Road Committee in this regard and Reeve George Lyons expects to have information on this after a County Council meeting to be held this Tuesday. However, a motion moved by Councillor McVicker that this letter be referred to a committee composed of the Streets Committee plus Councillors Neal and Mitchell, to investigate costs and consult with the engineer before reporting at the next council meeting. The motion was carried, but opposed by Reeve Lyons and

Deputy-Reeve Brookes.

-Councillor Gordanier reported on the Taxi License Request. A letter from the Chief of Police advised that Mr. DeMille had not met the conditions of the by-law and recommended that his application be turned down. A motion was carried to this effect.

-passed a bylaw to authorize execution of a proposal of estimate of cost between the town and the Ontario Government, Ministry of Transportation and Communications, under the Highway Improvement Act. This is in connection with the connection link of Highway #2.

-other bylaws passed covered the appointment of Ralph Lawlor as Fire Chief and an agreement between the town and Mr. Sutcliffe for garbage service. Mr. Sutcliffe had asked for an increase in remuneration.

-learnt from Councillor McVicker that the cost of surveying the Highway #2 link had risen from \$2500 to \$3700. This is a cost to the town and the \$2500 had been budgeted for.

-authorized, on Councillor Gordanier's request, that \$200 be given to the Firemen's Association for their annual dinner to be held at the Lions Hall on Dec. 8/

-Councillor Dickenson queried the status of natural gas in the town and after some discussion of shortages, and cost of energy fuels a motion was passed to ask the Northern Central Gas Company to make a new survey in the Town.

-Deputy Reeve Brookes asked if any consideration could be given to the idea of having a permanent trailer site in town. He felt that many older citizens were, like himself, living in homes too large for them but could not afford to buy new smaller homes. As lovely trailers can be purchased for \$12,000 he felt this was the answer for them. Town Clerk, Sam Knapp advised that everything was frozen until the official plan is received and so no further consideration could be given to the suggestion.

ENERGY

WE CAN'T TAKE IT FOR GRANTED ANYMORE

Recent events in the Middle East have underlined just how essential a dependable supply of energy is to the way we live. Present indications are that supplies of imported crude oil in Eastern Canada are barely sufficient to meet demand. If we can't maintain imports, real shortages of gasoline and heating oil could occur here in Ontario. But uncertain import supply isn't our only problem. Canada's own oil and gas supplies are being depleted and cannot be renewed.

To make sure we have enough energy for the future, and to give us time to develop alternative energy sources, we must make the best use of the sources we have now.

Nobody has the right to waste fuel, or any other form of energy. The time has come to take a good, hard look at the way we use energy, and to use it wisely.

Good energy habits learned now, especially by our children, will bring comfortably through the winter, and pay off in years to come. Let's get to work.

47 things you can do to conserve energy

1-7 Your heating system.

Clean forced-air filters once a month.
Bleed air from hot water radiators.
Fix leaks. Empty the flue clean-out.
Have the system checked by an expert.
Insulate ducts and pipes in areas that don't need heat.
Glossy white radiators heat best.
A gravity air system with a single return works best with interior doors open.

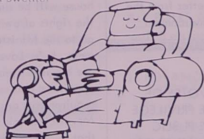

8-13 Keep the heat in!

Insulation pays, especially in attics.
Fit storm windows, weather-strip outside doors.
Keep fireplace damper closed.
Use range hood ventilators only when necessary.
If you sleep with the window open, close the door.
Close drapes at night.

14-17 Use your thermostat.

Each degree you lower the thermostat cuts fuel consumption about 3%.
It's possible to save by turning the

thermostat down at night. If you use a humidifier, you'll stay comfortable with less heat. If there's a Shivery Sam in the family, suggest he wears a sweater.

18-22 Hot water.

Insulate exposed hot water pipes.
If your water heater has a dial, try setting it lower.
A dripping tap wastes up to 175 gallons of hot water a month.
Don't use dishwashers till they're full.
A hot shower uses less hot water than a bath.

23-32 Around the house.

Are the door seals on your oven refrigerator and freezer good?
Don't use the oven if a toaster or fry-pan will do the job.
If you buy an electric heater, make sure it has a thermostat.
Use lower watt bulbs if you can.
Use Christmas lights from 6 pm till bedtime.
Use pots that cover stove elements.
Thaw frozen food before cooking.

Defrost freezers regularly.
A pressure cooker saves energy as well as time.

33-39 On the road.

A well-maintained car is an economical car.
Check tires and alignment.

Prolonged idling wastes gas.
Can you use the bus? Or ride with someone else?
Does your size of car fit your needs?

At 50 mph, economy decreases.
Jack-rabbit starts waste gas.

40-44 Around the farm.

A well-tuned tractor burns 10% less fuel.
Underground or pressurized storage tanks reduce vapourization loss.
Reduce tractor wheel slip and you save fuel.
Prolonged idling of engines wastes gas.
Can you turn yard lights off earlier?

45-47 At work.

Can the thermostat be turned down?
Can you turn off any lights?
Has your company got an Energy Conservation Suggestion Scheme?

We're taking our own advice.

All Ministries and Agencies of the Ontario Government are doing their bit to conserve energy. Lighting and heating levels are being reduced in government buildings; a new emphasis is being given to economical operation of vehicles. Ontario Hydro and the Ministry of Education are encouraging consumers and schoolchildren to learn good habits in the use of energy. And that's just a beginning!

Save this check list, and save energy.

Industry, business, homeowners, agriculture and government must all work together to conserve energy. If we each save a little, we'll all save a lot.

Provincial police at Belleville reported this morning that the Ontario Fire Marshalls office is now investigating the \$45,000 fire which destroyed the Mel-O-Dee Cafe early last Wednesday morning. Arson is suspected.

Delmer Breadman, son-in-law of the owner, said after the fire was out, investigators discovered that the cash register and sundry dispensing machines had been broken into.

Shannonville's business community has been reduced by one-third in two weeks. The Village Pump, a popular hotel, was levelled by flames prior to the recent fire.

Prince Edward County Council has voted to support the Mountain View Women's Institute in its resolution opposing a deer season in the County. Copies of the resolution read in Council also were forwarded to the Ministry of the Environment.

Six youngsters received swimming awards last Tuesday night at the Napanee Town Hall. The award winners are: Cherrie Wayte, Hawley Warner, Dori McDonald, Glen Murray, Bruce Murray and Dan Davey.

The people of Brighton not only have a new weekly newspaper at their disposal, they also have

a chance to give it its name.

The 16-page offset tabloid appeared last Wednesday and marks the first time Brighton has had its own weekly paper in several years. The name-of-the-paper contest closed Nov. 24. The newspaper offices are on Main Street.

Belleville City Council Monday night halted action that would have slightly extended Christmas Store hours. Up for approval was a bylaw requested by Council two weeks ago after a submission from retailers at the north-end Quinte Mall. The amendment to the city's store-closing regulations would have added three additional nights of shopping at Christmas.

The job of welfare administrator in Prince Edward County remains vacant following an unexpected turn of events. At the death of administrator Arne Nielsen this summer, council advertised the position and received 17 applications. Five of the applicants were selected for interviews last week.

Members of the finance and personnel committee recommended in a report to council that William C. Sayers be hired for the job. After this decision, it was learned the applicant was unable

MEET THE CANDIDATES NIGHT GREAT SUCCESS

If anyone had any doubt as to the interest felt by residents in their town affairs, those would have been dispelled by the response to the invitation to attend the "Meet the Candidates Night" sponsored by the Deseronto Ratepayers Association. This opportunity to "see, hear and question" candidates took place at the Public School Auditorium on Monday night.

and was attended by an estimated 100 persons.

Rev. C. Betts of Tyendinaga Reserve very capably chaired the meeting, allowing each candidate three minutes to present his views and gave the public three minutes for the questioning of each candidate. This was followed by a coffee break and time to submit written questions for particular candidates to answer.

Of the twelve candidates running for election, three were absent. They were Mr. Merton Cummings, Mr. Fletcher Vick, who was on vacation, and Mr. Jack Mitchell, who was absent because of illness.

Following are the names of the candidates who spoke and a brief resume of their comments:

-James H. McVicker, running for Mayor said that we should definitely work for a community centre to be a focal point for the town and area. We should continue to improve our streets, sidewalks, and homes. We should fight for a water filtration system we can afford and back the Ratepayers. He felt that all members of council should be working for the residents of the town not for themselves. Mr. McVicker concluded with the assurance that even if defeated on election day, he will continue to work for a progressive and better Deseronto.

-James Sharpe, running for Mayor, spoke of future plans

for the town, including plans for a water system the town can afford. He has plans for a senior citizens housing project and plans work on the county road. Mr. Sharpe feels sure we will have a community centre. He also expressed gratitude to the Lions Club for the Medical Centre and assured those present that with what "we have and will have, Deseronto will be a better place to live".

-Councillor Ed Gordanier feels that no one person can take credit for what has been accomplished, it has been done by all members of council. Mr. Gordanier stressed the fact that he will have ample time to attend to the duties of Reeve should he be successful on

LIGHTS SHOT OUT ON BRIDGE

Two weeks ago, 6 lights were shot out by an unknown weapon on Skyway Bridge. Three bulbs were shot and 6 globes were shattered, reducing visibility on the bridge and spreading shattered glass across the road.

According to the Kingston office of the Dept. of Communication and Transportation, the vandal has not yet been identified and an estimate of the damage is not available. A special crew with aerial rigging will arrive to fix the lights sometime next week. Until then, the Dept. does not know how extensive the damage is, as they must have special equipment to reach the lights.

Motorists are warned to watch carefully as they cross the bridge - there are still many fragments of glass across

to accept the position. The committee's recommendation was rescinded.

The sounds of music will ring

out the night of December 3 when the Kingston Symphony Orchestra makes an appearance in Belleville.

The orchestra, conducted by Alexander Bratt, will appear for one night at Centennial Secondary School on Palmer Road. Performance starts at 8:15 p.m.

Tickets are \$3 and \$2 with students and senior citizens half price. They are available at McKnight's Variety in Belleville and Bruinex Jewellers in Trenton.

Students at Napanee District Secondary School have just finished writing their first set of examinations for the 1973-74 school year. This year the students must write

two mandatory sets of exams in November and April instead of the one set mandatory and one set conditional system in operation for the past three years.

Biscuits, both plain and the chocolate variety are being sold by members of the Kiwanis Club of Picton at \$4 a box to raise funds for community projects.

The ministry of industry and tourism is considering making Highway 33 part of the Heritage Highways system in Ontario. The Quinte Association has been battling for some time to preserve the narrow and twisting Highway as an historic highway. Alternate transportation corridors are being considered.

Quinte Link, the proposed Rebekkah Lodge for Deseronto, is to be instituted on Saturday, Dec. 8 at the Deseronto Public School. Open installation will take place at 8 p.m. and the public are invited to attend.

Tenders are now being called for Assembly Hall renovations at Prince Edward Heights, Picton, for the Ministry of Health. The work is part of the general renovation program at Prince Edward Heights.

This project will consist of converting a former chapel building in the village complex into an Assembly Hall where residents and staff may attend concerts, films, chapel services and other functions. Specifications call for construction of a new stage and washrooms, installation of new flooring and lighting, painting and decorating.

It is estimated that the Assembly Hall will be ready for use in Spring '74.

A new plant, expected to employ twenty people during its first year of operations, will locate in Belleville assisted by an Ontario Development Corporation term loan.

Industry and Tourism Minister Claude F. Bennett has announced that Molteni Foods Limited will receive a \$365,000 loan, repayable with 8% interest, toward the cost of building and equipping facilities to produce packaged, prepared European style meat products. It is expected that employment in the plant will increase to 55 within five years.

The Glenora ferry "Quinte" built at Owen Sound in 1939 will be taken out of service next spring to make way for a larger boat better equipped to carry the heavy traffic on Highway 33.

Its replacement, St. Joseph's Islander, formerly in operation near Sault Ste. Marie now is under repair at drydock in Kingston, before being brought Continued on Page 6

Happenings

Deseronto Mrs. Kay Hood
396-2119
Mrs. Margaret Jackson

In spite of miserable weather last Saturday afternoon, the Deseronto United Church Women's Christmas

Tea and Bazaar was a great success. The Stover Hall was crowded all afternoon with those who came to shop at the various booths and enjoy tea in a Christmas atmosphere.

Mrs. Harold Piercy and Mrs. Howard VanVlack greeted guests at the door. Mrs. Harold Transue sold the tea tickets.

The tea table was decorated with a lovely red and silver flower centrepiece, flanked on both sides by tall red candles. Silver tea services were at each end of the long table and tea was poured by Mrs. John Gartland, St. Vincent de Paul Roman Catholic Parish; Mrs. T. McCullough, Presbyterian Church of the Redeemer; Mrs. Frances McCullough, Melrose United Church; and Mrs. John Punchard of St. Mark's Anglican Church. Mrs. Hugh Fingland Mrs. Gladys Gould, and Mrs. Nellie Robinson also poured tea on behalf of the Deseronto United Church.

Individual tea tables had centrepieces of miniature felt Christmas trees, complete with

Parcels at the foot of the tree. Serving tea were Mrs. Roger Cole, Mrs. Jack Murphy, Mrs. Warren Clow, Mrs. Maris McCaul, Mrs. Vaughan Godfrey and Mrs. Robert Fingland. Mrs. R. Aylesworth and Mrs. R. Kimmett were in charge of arrangements for the tables.

Arranging the plates of colorful sandwiches and dainty desserts for the tea room were Mrs. K. Pettis, Mrs. G. Cole, Mrs. R. Keech, Mrs. J. Hamilton and Mrs. R. Hawley. Mrs. Don Fingland, Mrs. Pauline Sills, Mrs. Douglas Cole and Mrs. W.C. Cochrane were kept busy in the kitchen.

Serving at the booths were Mrs. William Wood, Mrs. Jack McEwen and Mrs. Norman Davis sold a varied assortment of home baking. Mrs. Sid Brown Mrs. R.H. Boyce and Mrs. J.C. Reynolds looked after the sewing table. Mrs. M. Moon and Mrs. L.E. Gordanier were kept busy at the candy table. The White Elephant table was in the hands of Mrs. Gladys Gould and Mrs. Fran Walker. Mrs. Tom Shea and Mrs. James Gaylord ran an interesting boutique. The country booth, in charge of Mrs. Percy VanVlack and Mrs. Harold McCaul had a varied assortment of home

preserves, vegetables and other products.

The evening branch of St. Mark's Anglican Church Women held their meeting on Wednesday Nov. 21. This meeting was preceded by members and guests having dinner at Mom's Restaurant in Napanee.

The Regular business prtion of the meeting was continued at St. Mark's Hall. The singing of the hymn "Jesus Shall Reign" opened the meeting. Rev. F.C. Bell read meditations from the Living Message and the A.C.W. prayer and Lord's Prayer was said by all.

The Secretary's report was given by Mrs. Joan Claus and Mrs. Wayne Brown gave the Treasurer's Report. President, Mrs. Robert Tucker then welcomed all visitors.

There was considerable discussion regarding the Christmas party planned for local nursing homes. All Deseronto Churches are combining their efforts this year to prepare one large party. Some time was spent discussing the Carol Service Children's Pageant and Congregational Pot Luck Supper to be held on Sun. Dec. 16 at St. Mark's. Plans Baked Bean Supper sometime in January. Rev. Bell advised that Bishop J.B. Creegan will be in the parish on Feb. 3 at which time he will rededicate the newly renovated church and rebuild church organ.

The meeting closed with prayer led by Mrs. Tucker. Tea and cookies were served by hostesses, Mrs. W. Brown and Mrs. Hilda Province. The next regular meeting of the

A.C.W. will not be held until January 21, 1974.

Mrs. and Mrs. Don MacMillan and Mrs. Charles Griffiths attended the "Night in Scotland" supper at St. Andrew's Church, Picton, on Sunday evening.

Mrs. Kay Hood spent the weekend in Kingston at her sister's, Mrs. Violet Barbier. They went to the St. Andrew's Supper at Picton on Sunday evening, along with Miss Joyce Bedwell. Kim and Peter Barbier took part in the program with Highland dancing and piping.

The Deseronto Red Cross meeting was held on Wed. Nov. 14 at the home of Mrs. Gordon Walker, with Mrs. George Lyons presiding. Reports were given by the committees. It was decided to send candy and fruit to the Deseronto Senior Citizens in the Nursing Homes and Hasting Manor again this year. The next month's meeting will be held at the home of Mrs. W. Cochrane with exchange of gifts. Refreshments were served by the hostess.

To The Deseronto Citizens

I would like to introduce myself to the concerned citizens of Deseronto.

I am a married homeowner, the father of three children, with the desire to be a help to the beneficial growth of Deseronto and an aid to the citizens of our town.

I will be canvassing the town for your support and would welcome any questions and suggestions from you, the voters.

If given a chance by your vote on December 3rd, I will endeavour to better the condition of:

1. our town water supply
2. senior citizens housing
3. the streets and sidewalks

There will be transportation and babysitters supplied on December 3rd. Please call 396-2112 for this service.

DESERONTO RATEPAYERS

At the Ratepayers meeting
last Thursday, the Meet the
Candidates Night, the coming
election and the recent news of
the proposed water filtration
plant for Deseronto were all
topics of discussion.

It was brought to the meet-
ings' attention that Deseronto
students attending Napanee
High School were experiencing
some difficulty with regard to
the bus transportation provided
them. Apparently, four buses
take the students to Napanee,
but only three buses bring

but only three buses bring them
back, causing overcrowding
to the extreme. It was under-
stood that a petition had been
signed by the students and the
busdrivers to be given to the
Ratepayers who were to be asked
to take some action on the mat-
ter. However, no such petition
was available at the meeting,
but the Ratepayers decided to
look into the matter and do
anything they can to bring about
improvement in the bus service.

It was decided to have only
one meeting in December, on
the sixth, a Thursday and thought
was given to plans for next year.

election day and was willing to spend all the time necessary to represent us at County Council. He felt that being on Council is a great experience, one he wouldn't have missed, and thinks more people should run for office.

- George Lyon, for Reeve, says he believes in this community or he would not have come here. If elected as Reeve, he will work on any committee to get all grants available from the government. Mr. Lyons also mentioned his involvement with the Medical Centre and the fact that we now have a medical doctor here and are expecting a dentist early next year.

- Mr. Hugo Newman, who is running for councillor is a local merchant who feels that being on Council should be an honourary job and not for reward. He believes that all Council business should be open and nothing hidden from the taxpayer. Mr. Newman promised to use his experience and knowledge for the benefit of the town if elected.

- Ms. Diane Sergeant (council) is a housewife and mother of four children, and was a member of Deseronto School Board. She made the statement that as 50% of the voters are women, they

should have representation on council.

- Mr. Jack de Boer (for P.U.C.) stated that involvement was the reason for his running for office. As a newcomer, having only lived in Deseronto for five years, he had found a certain amount of "cold shouldering" which made it difficult to become involved in the town, but thinks he has now overcome this problem. An ordinary Joe who wants to share what he has to offer, is how Mr. de Boer describes himself.

- Adrian McCormick (P.U.C.) stated that he wished for better cooperation to make the town a better place to live. As an example, he pointed out that at one time, the P.U.C. and the town worked for each other at no charge. This is no longer the system and as a result, he feels taxpayers are paying more because of this change.

There were a number of verbal questions asked of some of the candidates and following the coffee break, a variety of written questions were asked and answered. Before the close of the evening, there was opportunity for candidates to circulate and be questioned by individuals.

The Ratepayers Association felt that meetings of this type provide a worthy community service and judging from the attendance, is well appreciated.

to Glenora to replace Quinte. The craft has a 15-car load capacity in comparison with the Quinte's 12 car limit.

It also has wider decks and can carry a load limit of 20 tons. In contrast the Quinte has a 10 ton limit.

Visitors to Prince Edward County consider the ferry service a great attraction and most are surprised to learn that the ride is free. The recently-released CORTS report has recommended that the free service be retained because of its popularity.

Alterations are now underway to further improve ferry service. This winter the landing ramps have had extensive renovations to make them adjustable to water levels. Last year's high levels created loading problems at the ferry but these difficulties will be eliminated.

Although many people grumble if they miss the boat, the Glenora ferry remains perennially popular as an important community service.

Opinion

To the Editor:

P.U.C. at a meeting with Council and engineers of the then Ontario Water Resources Commission, the subject being the Town water tank, it was suggested by the engineers that we install a 500,000 gallon tank on the old water tank site at a cost to the Town of \$186,000, due to the fact that we had to have a storage tank at the proposed filtration plant.

I suggested we could install a 250,000 gallon tank on the old tank site, which would give sufficient water to supply a town twice the size of Deseronto, and at such time we got the filtration plant, we could suggest another tank of the same size or smaller to be installed there.

Mayor James Sharpe and Councillor Ed Gordanier agreed with my suggestion. The engineer gave us a price on a stand pipe tank, cap-Continued on Page 7

acity 250,000 gallon at a cost of \$86,000, a saving to the town of \$100,000. It was passed by Council that the smaller tank be installed. This tank has to be paid for by our water bills. If the larger tank had been installed we would be paying almost double the rate we are now.

Obituary

PARKS, Jessie N., daughter of the late Dr. John and Mrs. Newton, passed away at the S. & S. Memorial Hospital, Penn Yan, New York, after a lingering illness. Burial took place from the Presbyterian Church, Penn Yan, at Tyrone Cemetery.

She leaves to mourn her loss a son, William of Rhode Island, and a sister, Wilma (Mrs. E.J. Eichhorn) of Arizona, three grandchildren, and nieces and nephews.

BRANT, Hugh of R.R. #1, Deseronto, at Belleville General Hospital on Friday, November 23, 1973, at 77 years of age.

Mr. Brant was born on the Tyendinaga Reserve to the late Josiah Brant and the late Elizabeth Mosess. He was the beloved husband of the late Lillian Maracle and the late Edtel Bernhardt. He was predeceased by four sons. Surviving him are three sons, Russell of Hamilton; Cameron R.R. #1, Deseronto; and

Loral of Germany; and six daughters, Bernice (Mrs. Albert Maracle) of R.R. #1 Deseronto, Marion (Mrs. Ken Bernhardt) of R.R. #1, Deseronto; Audrey (Mrs. Herb Maracle) of R.R. #1, Deseronto; Elaine (Mrs. Vernon Brant) of R.R. #1, Deseronto, Theda (Mrs. Bill Maracle) of Shannonsville; and Florence, (Mrs. Earl Spencer) of Toronto. Also surviving him is his brother, Bert of Shannonsville.

Mr. Brant was educated at Tyendinaga and spent his early years working for the C.N.R. and then turned to farming. He was a member of Christ Church. Funeral service took place on Monday, Nov. 26, 1973 at 2:00 p.m. with Rev. Cyril Betts officiating. Pall bearers were Mr. Brant's six sons-in-law, Bill Maracle, Albert Maracle, Herb Maracle, Earl Spencer, and Ken Barnhardt. Interment followed at Christ Church Cemetery, Deseronto.

The Christmas meeting to be held on Dec. 19 was discussed. Members agreed to have an exchange of gifts at this meeting which will start with a Pot Luck dinner at 1 p.m. and will continue until 4 p.m.

Mrs. Leo Palmer reported on the drop-in meetings being held every Wednesday in the hall. These recreational meetings are being well attended and much appreciated. Mrs. Stafford Claus reported on the sick and shut-ins. New bylaws were read by Mr. Joseph Renolds.

Mrs. Walker read a letter of thanks from Clayton Moon, treasurer of Deseronto Lions Club, thanking the Old Timers for providing such a delicious lunch following the official opening of the medical centre.

The birthday song was sung for those members celebrating birthdays in November.

Jeff Silver and Harry Mudd were thanked for their efforts in making arrangements for the recent bus trip to the Royal Winter Fair. The fact that the trip was well organized and so enjoyable was due to their efforts.

Lunch was served after members sang Grace. The door prize was drawn and won by Norman Armitage.

Quinte Oldtimers

The Quinte Old Timers Club of Deseronto held their regular meeting on Wed., Nov. 21 in the Deseronto Lions Hall. Gordon Walker, president, presided. At this meeting, three new members joined and one visitor was welcomed.

ECONOMY TO GROW

Finance Minister John Turner forecast in a speech in Montreal a healthy growth in the Canadian economy in 1974, with stimulus coming from rapidly expanding capital investment in new plants to increase productive capacity and employment opportunities.

Mr. Turner said "the economy is now operating at or very close to its full capacity, with the main limiting factor on future growth being a shortage of available productive capacity, material and manpower, rather than any shortage of demand for the goods and services produced by Canadians."

EXPORTS UP

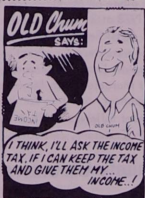

Canada's exports in October, seasonally adjusted, reached their highest level this year, totalling \$2.14 billion - up considerably from September's total of \$1.98 billion.

RECORD WHEAT CROP

Statistics Canada reported that this year's wheat crop

will hit 628.7 million bushels surpassing the ten-year average of 614.2 million bushels and up substantially over the 1972 wheat crop average of 533.3 million bushels.

Of the major crops, the volume of oats, rye and flaxseed is each expected to be above the last year's level, but production of barley and rapeseed is expected to be down.

WORLD FOOD SUPPLIES

Agriculture Minister Eugene Whalen represented Canada at the Food and Agricultural Organization Conference in Italy. In his speech to the FAO, he stressed the urgency of maintaining adequate world food reserves - "the present world circumstances

require and call for all out production to replenish food reserves on a world basis."

World food reserves have dwindled drastically mainly because of difficulties of the developing countries to accelerate their increase in production and because of widespread occurrence of drought
